

Free Freight

If you sign up for DMP's Electronic Funds Transfer (EFT) program, you will receive FREE GROUND FREIGHT on all of your DMP purchases.

EFT authorizes your bank to deduct your DMP purchases directly from your checking or savings account.

This convenient service saves on the expense of checks, postage, and your valuable time. Every Monday, we will e-mail you a statement itemizing your purchases for the previous week. If everything is correct, you do nothing. The invoices are paid automatically the following Friday morning. Your payment information will appear on your monthly bank statement.

Banks, insurance companies, state and federal governments, and large corporations save millions annually by using EFT. Now you can enjoy the same savings.

Please fill out the form below and return it with a voided blank check from the account you wish to draw on.
