

## 1100X and 1100XH Wireless Receivers

---

May 2013

### **Version 201 Update**

Effective May 22, 2013, all 1100X and 1100XH Wireless Receivers are being manufactured as Version 201 (3/6/13) software. The updated software will begin shipping as current stock is depleted which is estimated to occur June 14, 2013.

### **Improvements**

Internal engineering improvements have been made to the wireless receiver software. Receiver operation was not affected by these changes and there is no need to update a wireless receiver.
