Version 1.4.7 Update

Effective May 12, 2016, the Dealer Admin Site (dealeradmin.securecomwireless.com) is updated to Version 1.4.7.

Features

Additional User Permissions

The Dealer Admin Site (dealeradmin.securecomwireless.com) now supports new features. With Version 1.4.7, technicians have additional user permissions on the V-4408D Network Video Recorder (NVR). After adding an NVR serial number on the Dealer Admin Site, edit the default End User NVR Login to add a username and password.
