

Dealer Admin Site

September 2017

Version 1.7.0

Effective September 21, 2017, the Dealer Admin Site (dealeradmin.securecomwireless.com) is updated to Version 1.7.0 (9/21/17). As of Version 1.7.0 (9/21/17), the following features are now available.

Features

Order Number Locations

The order number that is given in the order confirmation email is now referenced on the Order Dashboard under **Order #**. The order number is also displayed in Order Details under the Order Information, Shipment Information, and Detailed Order List tabs. See Figure 1.

Customer Name

With this update, the customer's name will now display on the Order Dashboard under **Customer Name**. See Figure 1. To access the order number locations and the customer names, follow these steps:

1. Navigate to the Dealer Admin Site.
2. Click **Tools** in the right-side menu then click **Order Dashboard**.
3. To access the Oder Information, Shipment Information, and Detailed Order List tabs, click **Order Details**.

The screenshot displays the 'Orders Summary' section of the Dealer Admin Site. It features a table with the following data:

Order #	Serial #	Customer Name	Total	Tracking #
908	-	John Doe	\$76.40	Order Details
907	-	William Henderson	\$10.76	Order Details
906	-	Daisy Williams	\$10.76	Order Details
904	-	Ricky Johnson	\$64.56	Order Details
903	-	Michael Robinson	\$118.36	Order Details

Below the table, there are sections for 'September Sales' and 'Year To Date Sales', a search input field, and a 'Show / hide columns' button. To the right, a navigation menu includes: Search, Dealer Dashboard, Customers (with 'Add Customer' link), Tools (with 'Remote Update Dashboard', 'XT/XTLplus Special Update', 'Company Store', 'Default Programming', 'Secura Settings', and 'Orders Dashboard' links), On-Demand Settings, Personnel, and Settings.

DMP Reference Number

The DMP Reference Number is a new feature that is located in Order Details under the Order Information tab. If you need to call about the status of an order, the DMP Reference Number is what should be given to the support staff. See Figure 2.

1. Navigate to the Dealer Admin Site.
2. Click **Tools** in the right-side menu then click **Order Dashboard**.
3. Click **Order Details**.
4. Click the **Order Information** tab.

Item Names

The Dealer Admin Site now displays the item names that the customer assigns when purchasing their system. See Figure 3.

1. Navigate to the Dealer Admin Site.
2. Click **Tools** in the right-side menu then click **Order Dashboard**.
3. Click **Order Details**.
4. Click the **Detailed Order List** tab.
