Version 2.8 Update

Effective June 28, 2018, DMPDealerAdmin.com is updated to Version 2.8. The following feature is available.

Feature

Single Log In

You now have the option to enable single log in functionality in DMPDealerAdmin.com, giving users the ability to access multiple accounts in the Virtual Keypad™ app and in VirtualKeypad.com with a single set of credentials. Use the directions below to enable this feature for users:

1. Log in to DMPDealerAdmin.com.
2. Select a **Customer** from the customer dashboard.
3. Create a new **App User**.
4. Enter the user's **Email**.
5. Under the **Email** field, click **New** if you're entering a new user's e-mail. Click **Existing** if you're entering an existing users email.
6. Under **System Access**, select the systems the user will have access to with their single log in.
7. Click **Save**.
