

## Version 2.24 Update

Effective July 10th, 2019, Dealer Admin™ ([DMPDealerAdmin.com](http://DMPDealerAdmin.com)) is updated to Version 2.24. The following feature is available:

### Feature

#### **736V V-Plex Module Support**

Program the 736V V-Plex Module from Dealer Admin. The 736V allows you to replace Honeywell® VISTA® FB Series panels with DMP XR150/XR550 Series panels without replacing serial number addressable V-Plex devices.

In **Full Programming**, add the 736V in **Device Setup**, then program V-Plex zones in **Zone Information**. For more information, refer to the [736V V-Plex Installation Guide \(LT-1910\)](#).

### Requirements

This feature is compatible with XR150/XR550 Series panels and requires updated XR Firmware Version 191 (7/2/19).
