

DATE CODE UPDATE | MARCH 2021

Version 8.8 (3/12/21) Date Code Update

Effective March 16, 2021, all Entré Security & Access Management software will be manufactured with updated Version 8.8 (3/12/21).

Entré 8.8 works with panel firmware Versions 181 to 202.

NOC Improvements

Downloading of Badges Correction

In previous versions, when **Auto Panel Start** was set to **False**, the badges would not download to the panels properly. This error has been fixed to allow badges to download correctly when **Auto Panel Start** is set to either **False** or **True**.

Obtaining the New Software

Entré Security & Access Management software Version 8.8 is provided to dealers who have previously purchased an Entré license, are current with their Entré support agreement, and who have an Entré Certified Technician.

To upgrade to Entré Version 8.8 (3/12/21), please complete the [Pre-Upgrade Checklist \(LT-1782\)](#) before contacting the Software Support Team in DMP Technical Support at 888.436.7832.
