

## FEATURE UPDATE | FEBRUARY 2019

### Version 2.16 Update

Effective February 26, 2019, Dealer Admin™ ([DMPDealerAdmin.com](http://DMPDealerAdmin.com)) is updated to Version 2.16. The following feature is available:

### Feature

#### Sales and Installation Reports

In System Information, you can now add more information by filling out the following fields:

- **Installation Type** - with options for Residential or Commercial
- **Primary Installer** - with an optional dropdown list of your company's technicians by name
- **Sales Person** - with an optional dropdown list of your company's sales representatives by name
- **Installation Date** - with an optional calendar selection

You can use that information to create customized sales and installation reports. No updates to Dealer Admin™ are required to enable this feature.
