

## TECHNICAL UPDATE | JUNE 2025

### New Features

Remote Link has been updated to Version 2.51 to support panels running Version 232, Version 242, and Version 243, which include the following:

- XR150/XR550 (V243)
- XT30/XT50 (V242)
- XTL Series (V242)
- Com Series (V232)

For additional information about the features below, select the text to open the associated TU, Help File, or Installation and Programming Guide.

### XR150/XR550

Remote Link now supports the following additional features:

- [Key Fobs as Zones](#): In addition to the existing key fob range, up to 100 one-button and two-button key fobs on the XR150 and up to 500 one-button and two-button key fobs on the XR550, can be programmed as wireless panic zones.
- [Camera Device Type](#): XV Cameras can now be programmed as a **Camera** device type, assigned a device number, and allow up to 4 zones per camera to be programmed.
- [Panel to Panel Communication](#): Allows sites with both X1 Series Controllers and XR Series panels, or multiple XR Series panels to operate cohesively. Refer to [Panel to Panel Communication Help](#) for more information.
- [Passphrase \(XR550 with Encryption Only\)](#): If enabled, allows communication between the panel and the monitoring center to be encrypted.
- [Time Change \(V252\)](#): Panels can now receive time updates from SecureCom Wireless® Servers.

### XT30/XT50 & XTL Series

Remote Link now supports up to Version 242 for XT30/XT50 and XTL Series panels, as well as [Time Change](#) from Version 252.

### Com Series

Remote Link now supports the following additional features:

- [4-2 Dialer Capture Connection](#)
- SIA Format: Using SIA format on a Com Series device requires a hardware level of 106 or higher.

**Note:** DualSIM activation is only available on Dealer Admin.

### More Information

For more information about Remote Link, refer to [Remote Link Help: Program the Panel](#).

### Obtaining the New Firmware

The newest update to Remote Link is available for download, free of charge, on Dealer Admin ([dealer.securecomwireless.com](http://dealer.securecomwireless.com)).
