

TECHNICAL UPDATE | SEPTEMBER 2025

Version 253 Update

Updated Version 253 (9/3/25) firmware is now available for XT75 Control Panels.

AlarmVision® Zone Functionality

This update adds functionality of AlarmVision® Zones to the keypad bus to support an upcoming release of a camera integration. An AlarmVision® Zone is a camera analytic zone tied to the panel through the AlarmVision® integration.

More Information

For more information on setting up an AlarmVision® Zone, see the following:

- [XV Gateway with AlarmVision Help: Add and Edit Devices](#)

Obtaining the New Firmware

XT75 firmware updates are available, free of charge, on Dealer Admin (dealer.securecomwireless.com).
