

Tech APP™ Android and iOS

October 2017

Version 1.4.1 Update

Effective October 17, 2017, the Tech APP is updated to Version 1.4.1.

Updated Functionality

Improved MEID Accuracy

Prior to Version 1.4.1, you may have seen an inaccurate MEID number when editing a system through the Dealer Admin Site. With this update, you will now see the correct MEID number when editing a system in Dealer Admin.
