

734 Wiegand Interface Modules July 2014

Version 103 Software Update

Effective July 21, 2014, all 734 Wiegand Interface Modules are being manufactured with Version 103 (7/7/14) software. Version 103 (7/7/14) will begin shipping as current inventory of 734 Wiegand Interface Modules is depleted which is expected to occur late August.

Updated Operation

User Code

Occasionally, when a valid 32 bit or higher proximity credential was presented to the reader, a 734 programmed for DMP format could have sent an incorrect user code to the panel.

Obtaining the New Software

To update to the latest software, return the 734 Wiegand Interface Module to DMP and simply indicate "Update to Latest Version Software" on the 6-digit Repair Authorization Tag. If you need Repair Authorization Tags, contact DMP Customer Service at 1-800-641-4282.
