

## XTLN-WiFi™ Panels

November 2012

---

### Version 113 Software Update

Version 113 (11/12/12) software is now available for download on the DMP Dealer Direct Website at <http://dmp.com/dealer>.

Effective November 14, 2012, all XTLN-WiFi panels will be manufactured with updated Version 113 software.

### Updated Operation

#### Wireless Keypad Operation

If the local Wi-Fi network was unable to communicate with the XTLN-WiFi panel, the wireless keypads would not operate properly. This issue did not occur when the XTLN-WiFi panel was able to communicate with the local Wi-Fi network.

### Obtaining the New Software

XTLN-WiFi software updates are available for download free of charge on the DMP Dealer Direct Website at <http://dmp.com/dealer>.
