## Version 2.45.0 Update

Effective May 7th, 2020, Dealer Admin ([dealer.securecomwireless.com](https://dealer.securecomwireless.com)) is updated to Version 2.45.0. The following feature is available.

### Feature

#### Create a System from the Cellular Sunset Page

Dealer Admin now allows you to create systems from the **Cellular Sunset** page that are listed as **Not in Dealer Admin**. To create a system, complete the following steps:

1. Log in to Dealer Admin.
2. Go to **Tools > Cellular Sunset**.
3. In the row of a system that you want to add to Dealer Admin, press **Add System**.
4. To add the system to an existing customer, select **Existing Customer**, search for the customer, and select their name from the list.
5. To create a new customer for the system, select **New Customer**, then enter their name and email.
6. Press **Create System**.
7. You are redirected to the new system page. Enter the **System Name**, select a **System Type**, and enter an **Account Number**.
8. Configure other system settings as needed.
9. Press **Save**.
