

APPLICATIONS

Target: Healthcare, Financial, High Technology, Government Facilities

HIGH SECURITY

XR550™

- ▶ Up to 96 doors of access control
- ▶ Encrypted Communication
- ▶ NIST Certified
- ▶ ICD 705
- ▶ Single site access control
- ▶ Multiple Schedules & Profiles

XR150 SERIES

Features 142 inputs, 8 keypads = 32 zones, 1 built-in LX Bus (100 zones), and 10,000 user codes with 99 profiles. It provides ease of programming. Communicates via dialer, cellular and network with system integration.

ORDER: XR150DL-G, XR150DNL-G, XR150L-G, XR150NL-G

Target: Structures three stories and below which don't require encrypted communication with less than eight doors of access.

MIDRANGE

XR150™

- ▶ Up to eight doors of access control
- ▶ Multiple Schedules & Profiles
- ▶ Single site access control

XR550 SERIES

Features 574 inputs, 16 keypads = 64 zones, 5 built-in LX Bus (100 zones per LX) and 10,000 user codes with 99 profiles. It provides ease of programming. Communicates via dialer, cellular and network with system integration.

ORDER: XR550DEL-G, XR550DL-G, XR550DNL-G

Target: Structures three stories and below which don't require encrypted communication with less than eight doors of access.

MAIN STREET

XT30™ /XT50™

- ▶ Active Violence (Wireless)
- ▶ Wireless sensors approved Simple door control (Keypad administered)

XT30 SERIES

10 onboard and 28 additional wired zones. 30 user codes and daily opening and closing schedules. Provides ease of programming. Communicates via dialer, cellular and network with system integration.

ORDER: XT30DNS/7872-W

XT50 SERIES

10 onboard zones plus 28 wired or 48 wireless for up to 58 total zones; wireless receiver onboard. 99 user codes and daily opening and closing schedules. It provides ease of programming. Communicates via dialer, cellular and network with system integration.

ORDER: XT50DNS/7872-W

Target: Structures three stories and below, waterflow monitoring.

FIRE APPLICATIONS

XR150FC™ /XR550FC™

- ▶ Small to large fire applications that communicate via network, cellular or dialer and support wired and wireless commercial devices.

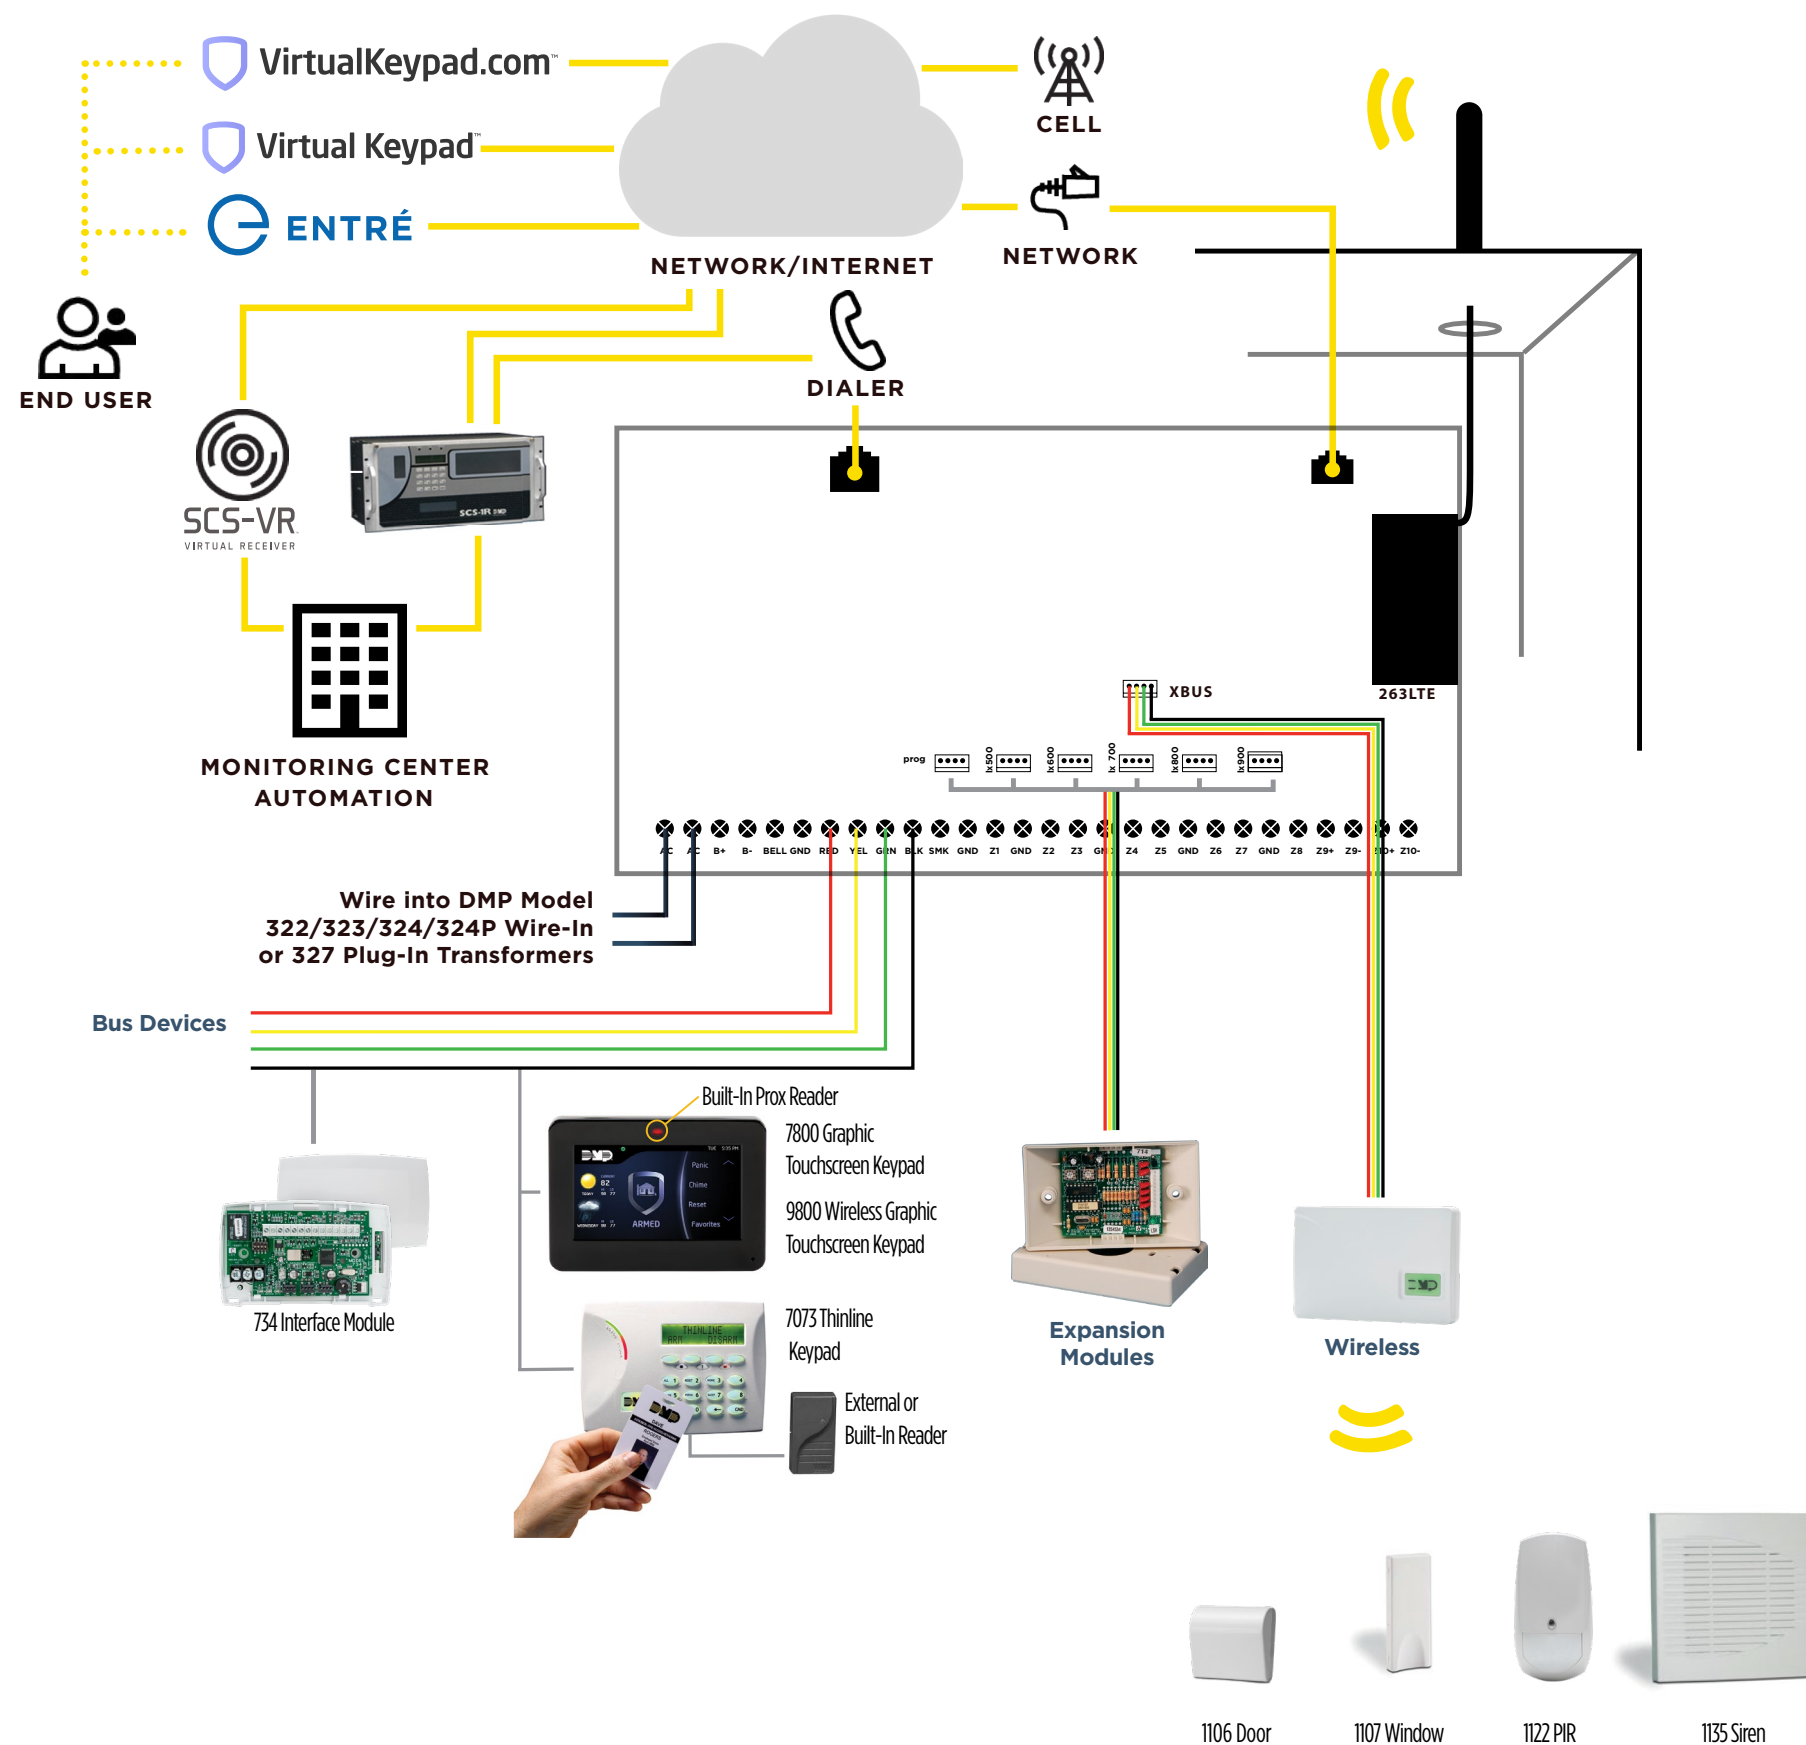

XR150FC/XR550FC FIRE CONTROL PANEL

Features 142 inputs on the XR150FC and 574 inputs on XR550FC, 8 keypads = 32 zones (XR150FC) or 16 keypads = 64 zones (XR550FC), 1 built-in LX-Bus (XR150FC) or 5 built-in LX Bus (XR550FC). Each LX-Bus offers 100 zones. 10,000 user codes with 99 profiles and a built-in LCD. Includes 866 Notification Module. Communicates via dialer, cellular and network with system integration.

ORDER: XR150DNFC-R, XR150DFC-R, XR550DNFC-R

SECURITY APPLICATIONS GUIDE

BUS DEVICES

630F	LCD Remote Fire Command				Internal and External Contact
7000	Series Thinline Keypads	1106			Universal Transmitter, Internal and External Contact
7000A	Series Aqualite Keypads				
7800	Touchscreen Keypads				
734	Access Control Module	1107			Micro Window Transmitter
734N	Network Access Control Module	1108			Doorbell Module
		1114			4-Zone Expander
734N-POE	Network Access Control Module	1115			Temperature Sensor, Flood Detector
7463	Network Thinline Keypad	1116			Relay Output
9000	Wireless Keypad	1117			LED Annunciator
9800	Wireless Touchscreen Keypad	1118			Remote Indicator Light
		1119			Door Sounder
		1122			Pet Immune PIR Motion Detector
EXPANSION MODULES					
708	Bus Extender				
710	Bus Splitter/Repeater	1126R			360 Ceiling Mount PIR
711	Single Zone Expansion	1127C			Wall Mount Curtain PIR
711S	Zone Expansion Module	1127W			Wall Mount Wide Angle PIR
712-8	8-Zone Expansion				
714	4-Zone Class B Expansion	1128			Glassbreak Detector
714-8	8-Zone Class B Expansion	1131			Recessed Contact
714-16	16-Zone Class B Expansion	1135			Siren, 110 dB
715	4-Zone 2-Wire Smoke Expansion	1136			Remote Chime
		1137			LED Emergency Light
715-8	8-zone 2-Wire Smoke Expansion	1139			Bill Trap
		1141			Wall Button
715-16	16-Zone 2-Wire Smoke Expansion	1142			2-Button Hold-Up Transmitter
716	Output Expansion, 4 Form C Relays, 4 Open Collector Outputs	1142BC			2-Button Belt Clip Hold-Up Transmitter
717	Graphic Annunciator: 20 Open Collector Outputs	1144-1			1-Button Key Fob
		1144-2			2-Button Key Fob
736P	Radionics Interface	1144-4			4-Button Key Fob
736V	V-Plex Interface	1144-1P-PSV			1-Button Panic Key Fob
738T	Wireless Translator	1144-D			Dual-Button Key Fob
		1148			Personal Pendant
		1154			4-Zone Input Module
		1158			8-Zone Input Module
		1164			Smoke Detector with Synchronized Sounder
		1164NS			Smoke Detector with No Sounder
		1166			Smoke Ring
		1168			Smoke/CO/Low Temperature Detector
		1183-135F			Heat Detector (Fixed)
		1183-135R			Heat Detector (Rate of Rise)
		1184			Carbon Monoxide Detector
WIRELESS					
1100X	Receiver				
1100XH	High Power Receiver				
1100R	Repeater				
1101	Universal Transmitter, Internal and External Contacts				
1102	Universal Transmitter, External Contact
