

## FEATURE UPDATE | SEPTEMBER 2020

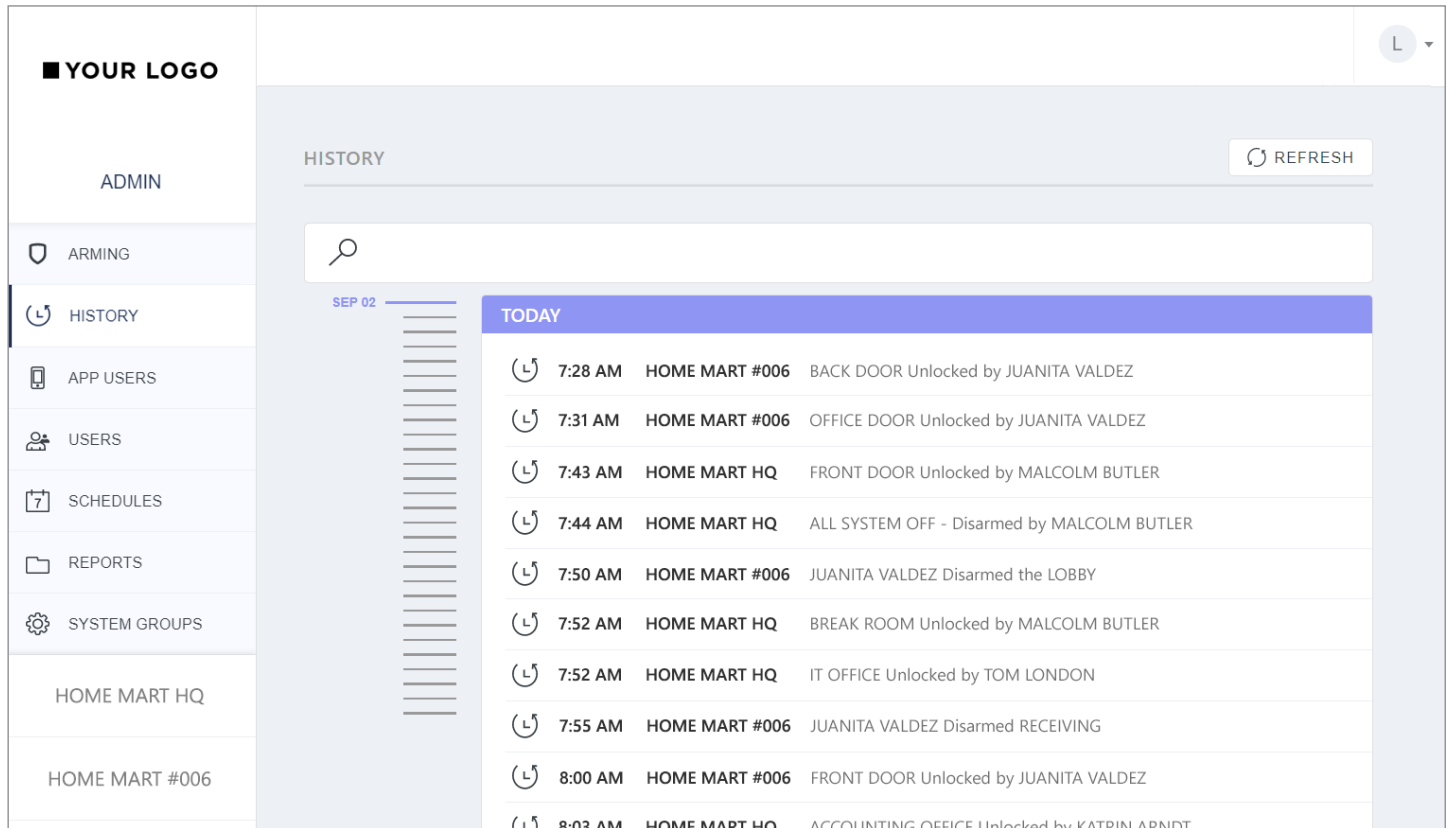

### VirtualKeypad.com Update

Effective September 8th, 2020, [VirtualKeypad.com](https://VirtualKeypad.com) is updated to version 2.28.0. The following features are available:

#### Admin History

In **Admin**, Virtual Keypad now allows you to view history from multiple systems.

To allow users to access **Admin > History**, ensure their App User account has **Enable Reports** selected in Dealer Admin for applicable systems.
